

## Operator 1

Cancarb is a leader in the development, manufacture, and global marketing of medium thermal carbon black. With a capacity of 54,000 metric tonnes per year, our plant in Medicine Hat, Alberta, Canada is the world's largest of its kind. Consistent with our commitment to environmental responsibility, our plant is combined with a waste heat power generating facility. The company's Thermax® brand products are supported by local distributors in 44 countries.

We are looking for talented people who have energy for change, can build relationships, and deliver sustainable results.

### Responsibilities:

Reporting to the Operations Manager, our Operations Team is looking for a highly motivated initiative-taker capable of thinking on their feet.

The ideal teammate would exhibit a strong mechanical ability, operate with a safety first and innovative mindset.

### Qualifications:

- Grade 12 diploma with preference given to someone with relevant trade experience.
- Fourth class power engineering ticket considered an asset.
- Forklift experience considered an asset.
- A valid Class 5 Driver's license.
- Experience in a safety sensitive industrial setting considered an asset.
- Strong mechanical aptitude.
- Good communication skills.
- Exceptional time management, planning, and prioritization skills.
- Basic working knowledge of Microsoft Excel, Word, and Outlook.
- Ability to manage competing priorities and adapt to a changing work environment.
- Ability to work both independently and in a team environment.

### This position requires candidates to:

- Display a strong mechanical aptitude, and be able to identify equipment malfunctions, repair systems, and troubleshoot quality issues.
- Perform routine rounds, minor maintenance, and operate in dusty environments.
- Be able to work independently or in a team.
- Work 12-hour rotating shifts, and be willing to work overtime when necessary.
- Operate in an industrial setting with a safety-sensitive mindset.
- Display good communication, exceptional time management, planning, and prioritization skills.
- Utilize Microsoft Excel, Word, and Outlook.
- Perform housekeeping and cleanup duties.
- Display safety for self, team, and protect the public as well as company/public property.

We offer a dynamic, team-oriented, and individually rewarding work environment, including a competitive compensation package.

Those who satisfy the above requirements and are interested in applying for this position are invited to send their resume, quoting "**Operator 1**" to [recruitment@cancarb.com](mailto:recruitment@cancarb.com), by September 26<sup>th</sup>, 2025.

Thank you for your interest. Only candidates considered for an interview will be contacted.
